21 July 2014

Dear [Head of Department]

## **The Ivor Tupper Prize of the Geologists' Association 2015**

Nominations are invited for the Ivor Tupper Prize of the Geologists' Association, awarded from a fund donated in memory of G Ivor F Tupper, CEng, FIEE (1927–2008).

The prize (a single award of £2000 cash annually) is designed to give financial assistance to a deserving undergraduate in their second, third or fourth year at a UK university, studying Geology or Earth Science. The award will be made by the Council of the Geologists' Association to the student they feel best demonstrates both a genuine commitment to the discipline and academic excellence.

The donor, who wishes to remain anonymous, has expressed a wish to help the best students in their studies and I am sure you will agree that, in these financially difficult times, this award will be a real lifeline to a deserving candidate.

The closing date for nominations (one per degree programme) is **15 November 2014**. Applications should be e-mailed to [awards@geologistsassociation.org.uk](mailto:awards@geologistsassociation.org.uk) or, if preferred, sent by hard copy to the Geologists' Association, Burlington House, Piccadilly, London W1J 0DU to arrive by the deadline.

If you have any queries about the award, please feel free to contact me via the e-mail address below or on 020 7434 9298. I look forward to receiving your nomination.

Yours sincerely,

Dr. Haydon Bailey  
President, the Geologists' Association
