

Leave Manchester ring road (M60) via M66 (probably signposted Bury, Burnley etc)

After motorway regulation ends, stay on the dual carriageway. Bear left after long downhill stretch at Rawtenstall - signed M65 I think.

Go straight on and, after traffic lights, up a long hill and down again to M65. Carry straight on under the M65 and turn left at the second set of traffic lights signed Clitheroe.

En route to Clitheroe you join the A59. Stay on the A59 towards Harrogate (don't follow Clitheroe town centre).

In due course, **straight over roundabout** signed right to Sabden. West Bradford Road is the next left - see maps below.
